Red - the colour of a bus

Orange – the colour of a fire

Yellow – the colour of the sun

A photograph of a vast, flat green field, likely a grassy plain or meadow, stretching to the horizon under a clear blue sky. The grass is a vibrant green, and the horizon line is straight and level.

Green – the colour of the grass

Blue – the colour of the sea

Indigo – the colour of the night sky

Violet – the colour of a flower

These are the colours of our World

Red - the colour of a bus

The background of the entire image is a close-up, abstract view of a fire. It features bright orange and yellow flames that are swirling and flickering, creating a sense of intense heat and movement. The colors range from deep orange to bright yellow, with some darker, almost black, areas where the flames are more concentrated.
