**Priority will be given to families who lost out on previous family events.*

SEN and inclusion videos

The SEN and inclusion team received funding to make a series of videos for parents of children with additional needs. The aim of the videos is to:

- Offer reassurance to parents and reduce stigma around SEND
- Offer clear information and advice to parents on a range of topics relating to SEND assessment, diagnosis and processes
 - To signpost parents to additional support for their child and their family.
