

# The Senses Song

With my eyes, I can see  
All my friends around me

Chorus:

With a nick nack paddy wack  
What a lovely song  
I want you to sing along

With my ears, I can hear  
A tambourine that's playing near

Chorus:

With a nick nack paddy wack  
What a lovely song  
I want you to sing along

With my nose, I can smell  
A pretty perfume, I can tell

Chorus:

With a nick nack paddy wack  
What a lovely song  
I want you to sing along

With my mouth, I can taste  
A salty crisp, a sugared cake

Chorus:  
With a nick nack paddy wack  
What a lovely song  
I want you to sing along

With my hands, I can touch  
Something smooth and something rough

Chorus:

With a nick nack paddy wack  
What a lovely song  
I want you to sing along
